REQUEST FOR SERVICE DISCONTINUANCE

I, _____ hereby request that my water meter Acct. # _____ located at _____, be disconnected from One-Five-O WSC service on or about _____, 20____ and my membership be refunded to me after any final bill or amounts owed by me is deducted from my membership. I understand that the meter will be **PULLED** from the ground unless I have my property sold and I just want a final reading so that the new buyer can apply for service in their own name. I also understand that if I should ever want my service reinstated I may have to reapply for service as a new member and I may have to pay all costs as indicated in a then current copy of the One-Five-O WSC Tariff. Future ability to provide service will be dependent upon system capacity, which I understand may be limited and may require capital improvements to deliver adequate service. I also understand that these improvements will be at my sole cost. I further represent to the 150 WSC that my spouse (IF ANY,) joins me in this request and I am authorized to execute this Request for Service Discontinuance on behalf of my spouse.
